Версия 2

Introduction	I've chosen photo 1. Would you like to have a look at the photo? We have a couple of minutes before the lesson starts.
When and where the photo was taken	I took it last summer when my sister and I were travelling in Europe. It was summer time and we were about to cross the border into Romania. We saw a big road sign welcoming visitors.
Who/what is in the photo	In the photo, in the foreground there is my sister sitting on the ground by the road sign. The road sign says "Welcome to Romania". My sister is dressed casually; she is wearing a jeans jacket and light summer trousers. On the left of the photo there is a road. In the background we can see something which looks like a bridge.
What is happening	My sister is pointing at the road sign saying it's a border crossing point. She is smiling — she was happy to be actually sitting at the border between two countries. My sister is definitely enjoying the moment. The road doesn't look too busy.
Why you keep the photo in your album	I keep this photo in my album because my sister and I had great fun that day and we were delighted to be there on such a wonderful day. I wanted to remember the day and years later show my sister how cute she looked leisurely sitting there on the grass.
Why you decided to show the picture to your friend	I wanted to show it to you because I wanted to share the wonderful memories of the trip with you and to let you have a glimpse of Romania, even if only of its border! Besides, you have never seen my sister. Do we look alike? I think we do.
Concluding phrase(s)	Oh, the bell is ringing! Time to go to the lesson.

Версия 2

Introduction	I've chosen photo 2. Do you like it? Would you like to know where and when I took it?
When and where the photo was taken	I took this photo last summer — my parents and I were travelling in the mountain areas of Bolivia. It was the dream trip of our lives. We were so happy when we finally made it! It was very exciting!
Who/what is in the photo	This is a photo of a mountain valley — very beautiful and unlike any landscape I've seen so far. In the center of the photo you can see two kids. There are no other people nearby and the place looks isolated. In the foreground there is a big black dog, I do not know its breed, but it looks like a retriever. What makes the photo particularly interesting are llamas — there are so many of them, just like sheep or cows in the countryside of many countries.
What is happening	The kids are playing on the ground. They are fully absorbed in the game and don't pay attention to anything around them. The dog is running to me and barking. I was a little afraid of it. The llamas are there grazing grass and drinking water.
Why you keep the photo in your album	I keep this photo in my album because I am keen on kids and animals — I love making photos of them. I also want to remember the place — it was so unusual.
Why you decided to show the picture to your friend	I decided to show it to you because this photo gives an idea of the atmosphere of the place — very unusual, very romantic. I wanted to share with you the feelings I had when I saw the beauty of the place.
Concluding phrase(s)	That's what I wanted to tell you.

Задание 3, вариант 1, фото 3

Версия 1

Introduction	I've chosen photo 3. Have a look at it. Isn't it a nice place?
When and where the photo was taken	I took it last week-end when I was having a walk along the river bank. I had a busy week preparing for exams and decided to have a little rest.
Who/what is in the photo	In the photo you can see the embankment. In the background you can see a bridge. There are many people on the bridge and on the embankment. On the right of the photo there are a few boats. Week-end river boat trips are very popular with holidaymakers.
What is happening	People standing on the bridge are enjoying the view of the river. People on the embankment are resting or sunbathing. Some are taking photos.
Why you keep the photo in your album	I keep this photo in my album because I like the river and the nearby park very much. It is my favourite place for hanging out with friends.
Why you decided to show the picture to your friend	I've decided to show it to you because you wanted to see where I like to spend my free time.
Concluding phrase(s)	Now, it's time for lunch. Would you like to have a snack in that café near the river?

Задание 4

Образцы ответов на задание 4 представлены в одной версии, поскольку это задание высокого уровня сложности, рассчитанное на выпускников, занимавшихся по программе профильного уровня. Как было сказано выше, несмотря на внешнее сходство задания 3 и задания 4, в них ставятся совершенно разные коммуникативные задачи. Если в задании 3 надо просто описать выбранную фотографию в предложенной ситуации общения, то в задании 4 мало описать фотографии, надо найти в них общее и различное, выразить свои предпочтения в рамках предложенной проблематики, объяснить их и использовать достаточно сложные языковые средства, чтобы выразить свои мысли. Предложенные образцы ответов на задание 4 несколько избыточны по объёму. Если вам не хватает двух минут, чтобы проговорить такой текст, вы можете несколько сократить ответ, ограничившись одним сходством или различием там, где в образце описаны два и более. Помните, однако, что в своём ответе надо раскрыть все пункты плана.
